

INDY RC TRACK SCHEDULE & FEES

■ INDY RC TRACK SCHEDULE & FEES

SESSION DEFINITIONS

Open Track Sessions

Open Track Sessions are designated times for drivers to freely practice on the current layout.

- Sessions are non-competitive and focused on practice, tuning, and fun.
- Track fees must be paid before entering the track.
- Each paid driver is entitled to one pit space during their session.
- Open track participants must vacate pit areas by the end of their session to allow setup for race events.
- All Open Track Rules apply during these sessions.

Race Events

Race Events are structured, timed competitions managed by Indy RC.

- Entries include organized heats and mains, run by race control.
- Race entry fees include track time and pit space for the entire day.
- No additional open track fee is required for registered racers.
- Payment must be made prior to using the track or participating in any race.
- Marshaling, inspection, and sportsmanship rules are strictly enforced during events.

TRACK FEES

- All drivers must pay prior to using the track.

Either an Open Track Fee or Race Entry Fee must be paid before driving.

- All vehicles will be inspected when fees are paid, prior to entering the track. Inspections verify proper scale, voltage limits, and cleanliness. Vehicles that fail inspection will not be permitted on track until corrected.

Open Track Sessions:

- \$5 per person (not per car)
- Includes all-day access and one pit spot
- Keep your wristband visible if leaving and returning
- Drivers must vacate pit areas by the end of the open track session

Race Events:

- \$15 for the first entry, \$5 for each additional class
- Includes track time and pit space for the full day — no additional open track payment required

General Policies:

- Wristbands or stamps must be worn to verify payment.
- Track fees are nonrefundable.
- If a race class does not run, that class fee will be credited to the driver's account for future use.
- All sales are final. Credits are valid for 60 days from the date issued.
- Anyone found using the track without paying will be asked to leave immediately and may be suspended from future sessions.
- Track fees help maintain the facility, improve the surface, and keep Indy RC open for everyone — thank you for your support!

WEEKLY TRACK SCHEDULE

Sunday: 10:00 AM – 2:00 PM Open Oval Session | 3:00 PM Oval Race Event

Monday: 10:00 AM – 8:00 PM Open Oval Session

Tuesday: 10:00 AM – 8:00 PM Open Off-Road Session
